If this inferior Service be taken I will complete the Service of 30 years to entitle me to Rs 18/8 per mensem. But your honor is aware that my inferior Service unless specially recommended will not count. & that I will be only entitles to the pension which my Superior Service of 20 years entitles me. viz

Rs. 1/3 of my pay. Therefore I request that your honor either to recommend me for the full pension or to provide me in any other Department untill I complete 25 years of superior Service and thus protect me the poor and large family man.

I beg to Remain

I have the honor to inform you that Peishcar Subramiah of the Imperial Service Regiment, who was hitherto on the supernumera: scale, has been provided for in the Local Service regiment, in acc -ance with Proceedings of Government Military No.822-23/58 of 17th November 1899.

His pay hitherto was Rupees 37/- a month, and owing to his transfer to the Local Service Regiment he has to draw only Rupees 35/- as the other Peishcars of that Regiment, thereby sustaining loss of Rupees 2/- a month.

I request you therefore to kindly obtain sanction of Govern- ent for the balance to be drawn till his retirement as Personal lowance, so as to enable him to claim half pension of Rupees 18-8-0.

Sir,

I have the honor to point out that in the case of Peshcar Subramiah, Government directed that the Peshcar be retained in the service until provided for in the Local Service or Chief Commandants' Office in order that Peshcar Subramiah might qualify for Civil pension on the rate of pay which he was then drawing.

It is clear therefore that the pay of any appointment given to him should be made equal to the amount he previously drew.

Under the circumstances I am directed to sanction the owance of Rs. 2/- making the Peshcar's total pay Rs. 37/- & to the Peshcar's pension may be calculated later on on this gross ry of Rs. 37/-.

A copy of this letter will be sent to the Comptroller formation & record.
